WASHINGTON, Jone 14.—Miller reported the Illinois and Mississippi canal bill. The Senate resumed the consideration of the Senate joint resolution for the pay of mail contractors of various southern states, the amounts due on their contracts for 1859, 1850, and 1861, and appropriating \$375,000 for the purpose. A fiter some discussion the bill was deferred and the bonded spirits bill was taken up. Bayard urged the necessity of prolongation of the bonded period from three to five years, instead of indefinitely, as proposed. The bill after a long discussion was laid aside and the Senate adjourned.

The House went into committee on the legislative appropriation bill. After a violent ciscussion chiefly between Kelley and White, in which both used language for which they were threatened the censure of the House, the committee rose. The bill was reported to the House and passed—123 to 45. Miller reported a resolution for the payment of Cannon (of Utah) his salary and mileage to Apr I 19, 1882, the day his seat was vacated. Adopted. O'Niel, from the committee on appropriations, a ported the invalid pension appropriations, a ported the invalid pension appropriation, to ported the invalid pension appropriation, the whole. The total appropriation is \$100,000,000. The House went into committee on the river and harbor appropriation bill, but remained in committee only a few moments. Kelley gave notice that when that bill was disposed of he would call up the bill to reduce internal revenue taxation. Adjourned. nue taxation. Adjourned.

woult care to the order to reduce internal fevenue taxation. Adjourned.

SENATE.

Washington, June 15—The joint resolution appropriating \$375,000 to pay mail contractors in the South prior to secession, was resumed. Maxey spoke in favor of the measure, and the bill went over. Plumb offered a resolution requesting the President to communicate all the correspondence on file in the State Depar ment touching the conduct of Sir Spencer St. John, the British minister at Lima, in connection with the Huribut negotiations for the cession of the Bay of Chimbote, and especially the correspondence with the British Minister. Adopted. Maxey moved for a special committee to investigate strikes, the committee to have full power. Laid over temporarily. The House bonded spirits bill was taken up as unfinished business. After some discussion it was laid aside, and the Senate adjourned.

HOUSE. The House went into committee of the who'e on the river and harbor bill. Page explained its provisions. At the close of the general debate the first and second paragraphs of the bill were read, and without action the committee rose and the House adjourned.

of the bill were read, and without action the committee rose and the House adjourned.

SENATE.

WASHINGTON, June 16;—Hoar introduced a bill providing that in case of the removal, resignation, taability or death of the President and Vice-President, the succession to the Presidency shall fall on members of the cabinet, commencing with the Secretary of State, and concluding with the Secretary of State, and concluding with the Secretary of the Interior, in the same order as named in Washington's Cabinet, and excluding unconfirmed cabinet officers—referred to the judiciary committee. Blair introduced a bill for a statue in Washington of Benjamin Franklin. The Senate bill authorizing the Oregon Pacific Rallroad Company to construct bridges across the Willamette river in Oregon, was assed. The bill reappropriate \$375,000 to pay southern mall contractors for rervice prior to the secession of their States, was taken up. After some discussion the bill went over. The bill to enable National banking corporations to extend their corporate existence was read for action on the committee's amendment, which, after some discussion, was voted down. The bill was proceeded with up to the s'xth section, providing that all notes of existing banks now in circulation shall be returned, destroyed or cancelled, and hew notes bearing different devices and descriptions, substatuted for them. cancelled, and hew notes bearing different devices and descriptions, substatuted for them as they come in and redeemed, the banks to pay the cost of printing new plates, etc. After some discussion of this section the Senate ad-

The Senate amendment to the House bill authorizing the Sioux City and Pacific railroad to construct a bridge across the Missouri river was agreed to. The House went into committee on the river and harbor bill. Adjourned.

SENATE.

Washington, June 19.—Frye, from the committee on rules, reported a resolution amending rule four so that in the absence of the Vice President the Senate shall choose a President protein, who when temporarily absent may designate in writing a senator to perform the duttes of the chair during such temporary absence. Hoar, from the judiciary committee, reported as a substitute for the resolutions and bills on the subject referred to the committee, the bill introduced by him typowde for the performance of the duttes of the office of President and Vice President, and W. H. Reid, of Atlanta, Ga., Secretary. The name of the organization was changed to National Merchants' and Travelers' changed to National Merchants' and Travelers'. duties of the office of President and vice rusident in the case of removal, inability, etc., of
both the President and Vice President. The
commiftee recommended the passage of the
bill. The bill was ordered printed and recommitte!. The Senate took up the House bill to
regulate the carriage of passengers by sea.
Conger said the object of the bill was to
protect emigrants on shipboard. It passed. A joint resolution re app.opriating the protect emigrants on shipboard. It pass-cd. A joint resolution re app.opriating the \$750,000 voted in 1877 to pay the south-ern contractors passed as amended. The river and harbor bill being received from the House, it was referred to the committee of commerce, and Kellogg gave no-tice of certain proposed amendments. Ad-journed.

Kelly introduced a bill to abolish the internal revenue tax on tobacco and snuff. Washburn a bill authorizing the removal of obstructions from navigable w. ters of the United States. Rosecrans a bill to prevent discrimination in transsportation over the Pacific railroads. Calkins moved to suspend the rules and pass the bil facilitating the trial o contested election cases by providing for submitting them to the committee earlier than was now practicable-agreed to. The bill passed, authorizing the Secretary of the Treasury until July 1st, 1884, to receive trade dollars upon presentation and give therefor the standard silver dollar, and repealing all laws authorizing the collage of trade dollars. A motion was made to suspend the rules and pass the bill making the terms of revenue collectors four years, was lost. The pension appropriation bill passed. It appropriates \$100,00,005. The bill to regulate immig ation passed. Also the bill establishing the Bureau of Animal Industry and to prevent the importation of diseased cattle and the spread of infectious diseases among domestic animals; also a joint resolution accepting the invitation of the British Goverament to the United States to be represented at the International Fishery Exhibition in London, in May, 1883. A motion was made to sus, end the rules and pass the Senate bill authorizing the Becretary of the Treasury to examine and report to Congress the amount of all the claims of Texas, Colorado, Oregon, Nebraska, Califoroia as it Nevada, and the Territori's of Washington and Idaho, for moneys expended in suppressing Indian hostilities. On the motion no quorum voted, and the House adjouraed.

Nerrousness is a rapidly growing allment. When there is no organic disease, its origin is usually imperfect direction. Hostetiar's stymache Bitters, a remedy peculiarly efficacious in cases of nervousness, acts primarily inpon the stomache, restoring its activity, promoting the scretion of the gastric luice, overcoming the immediate bod by disturbance resulting from dyspepsia, and remedying that depletion of muscular substance and strength, and the nervous symptoms which it ultimately produces. With the renewed activity of the digestive functious, nerve quietude returns, an increasing inability to rest soundly is counteracted, mental despondency is supplanted by a feeling of cheerfulness and the relish for foot is aucmented. The remedy is safe and unobjectionable, and may also be relied upon to overcome and prevent fever and ague, billousness and constipation.

The truth of the following story is old lady speaking in prayer meeting milk strainer. and giving expression to the joy and confidence she felt, said: "I feel this minute as if I was ready to fall into the arms of Beelzebub," "Abraham! You mean Abraham," hastily corrected a brother sitting near. 'Well, Abraham then," was the response, "it don't make any difference. They're both getting much better row, my dear! good men."
